### Skills

<b>MURALS &amp; PAINTING SKILLS</b>	Completed over eighty large-format full-color reproductions of paintings and other environmental murals – chalk on pavement and canvas; acrylic on walls; also Plein Air painting on site outdoors in oil.
<b>PORTRAITS</b>	Masterful at depicting subtle human facial expressions in various angles in compassionate and realistic smooth blended style.
<b>ILLUSTRATION</b>	Adept at rendering realistic and stylistic images. Especially good with gradual blending of tonal changes. Competent with color pencils, chalk, acrylic and oil paint; black and white pencil, pen and ink, ink wash, and water color. Illustrated children's books, portraits, mandalas and still-lives.
<b>VISUAL DESIGN</b>	Good sense of compositional layout and visual aesthetics. Designed and created final art for T-shirts, clothing, sculptures, mobiles, costumes, paintings, botanical and science illustrations, silk screens, hand-carved and painted signs and furniture. Creative and ingenious with project solutions. Very good with 3D modeling.
<b>DETAIL ORIENTED</b>	Patient with meticulous detail; sharp eye for distinguishing color matching, recognizing and establishing order; precise and careful; good manual dexterity – able to operate mechanical devices. Created camera ready art and type for logos, ads, posters; sized stats, and evaluated printing & production process via onsite press checks for all corporate collateral.
